Laguna Phuket Golf Club Opened Newly Upgraded Front Nine Holes

What: Laguna Phuket Golf Club reopened in July its newly upgraded front nine holes, giving a boost at significantly improving its golf experience as a world-class five-star golf facility. The remaining nine holes are estimated to take another six months to be completed, with the upgraded 18-hole course scheduled to be fully operational by January 1, 2015. During the upgrade, members and guests can still access the existing nine holes, which can be played twice for a full 18-hole round.

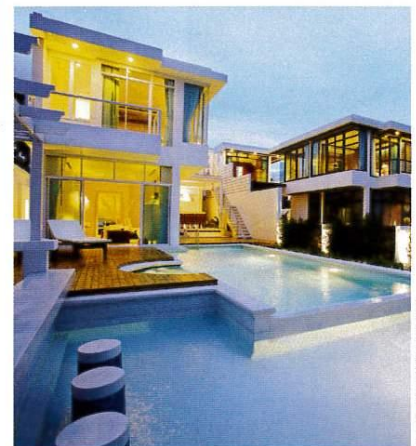

When: Ongoing
