5. Pattaya Pool Paradise

Set to open this month, 5a Pattaya Oceanview is located in the fishing village enclave of Bang Saray.

Consisting of 25 pool villas, the low-rise resort is sneakily tucked into the dense trees and vegetation just a stone’s throw away from Bang Saray Beach. It is built in a unique geometric form that resembles a cone, towering towards the seaside. Guests at 5a Pattaya Oceanview have a choice of one- and two-bedroom villas ranging from 152 to 257 sqm. The resort has also announced the appointment of Steve Lockhart as the new cluster general manager for 5a Pattaya Oceanview and 5a Uthe Pattaya Beach.
